

1.23.04

10:20 Transition

- Great positives
- Problem Solving
 - Bring them in by reviewing steps. Great.
 - Wow - Great way to redirect Hannah. You are so good at that.
- Do some individual response - some whole group. That is a great way to keep them on their toes.
- They are really engaged. They are listening to you, looking at the chart. Excellent!
- That Hannah!!
- Great pacing → you did the problem quick but you got the points all in.
- Great positives as they come back.
- Your materials are ready → clear directions.
- Giving a countdown → Great!!
- Clear expectations - Reminders - Have them repeat. WOW!

10:35 Kids to work

You stood up + immediately
started looking around.
Such a teacher!!!

Just noticed your \$100 word
chart specific for eat etc.
Awesome! You can type
it up + put it in their
Reading + Writing Folder.

They are all working hard! 😊

Keenan to his seat → Great job.

They are doing explorations well +
but remember if you want
O gotta keep them there. 😊

Wow! Excellent lesson!

You are such a TEACHER!
